Buffalo Valley, North Dakota. A few years ago, this was a dying town. Now it's come back to life! People are feeling good about living here again—the way they used to. They're feeling confident about the future. Stalled lives are moving forward. People like Margaret Clemens are taking risks on new ventures and on lifelong dreams. On happiness. Margaret is a local rancher who's finally getting what she wants most. Marriage to cowboy Matt Eilers. Her friends don't think Matt's such a bargain; neither did her father. But Margaret is aware of Matt's reputation and his flaws. She wants him anyway. And she wants his baby...

What does a gal have to do to get a good date in this town? Adele Harris can't even begin to answer that question. She's had so many lousy dates that she's sure she's cursed. Why else would every man she goes out with suddenly act like he's lost his mind—and his manners? Adele thought life couldn't get any more confusing . . . until she learns the marriage of her seemingly Miss Perfect sister is on the rocks. So she goes back to their hometown to give her a shoulder to cry on, only to run smack into Zach Zemaitis . . . the one who got away. Texans love God, family, and football, though not always in that order Zach, a former pro star, knows all about football. As for the other two, well, he's doing his best. But when Adele comes charging back into his life—still all lush curves and beautiful, big blue eyes—he wonders if his best is good enough. After all, he did her wrong. Can a woman with her track record ever really believe that he's serious this time . . . or is he

destined to be another bad date?

For centuries the deaf community endured a mixture of derision, ignorance and poverty; they suffered what Dr Johnson described as ‘ one of the most desperate of human calamities ’ . A few schools for deaf children had been founded from the 1780s but it was only in the early decades of the 19th century that philanthropists, evangelists and the deaf themselves began to create institutions to offer spiritual and temporal care for the deaf adults of the great cities of the industrial revolution. This classic example of Victorian charity has received little detailed research. Nick Waite discovered that his own great great grandparents Stephenson had neither hearing nor speech; in the accepted language of their day they were ‘ deaf and dumb ’ . His story brings together social, local and family history to show how care

for Sheffield's profoundly deaf developed from the mid-19th century to the present day, together with the three generations of the family who ran the Sheffield Deaf and Dumb Institute from 1871 until it closed in 1960. As in many areas of social reform over the last two centuries, political involvement led to clashes of interest and values, and the Sheffield story illustrates perfectly the gradual and sometimes rocky progress from Victorian philanthropy to the Welfare State. *Alone in a Silent World* will appeal to those who are interested in the history of care for disadvantaged minorities, specifically the deaf, as well as those who are part of the deaf community, and those with an interest in local history.

care in the clinical environment. Because patient care is involved in virtually every aspect of imaging, high-quality patient care is just as important as your competent performance of procedures. In Patient Care in Radiography, patient care is integrated with procedural skills throughout the text, ensuring that you know how to provide the best care for every patient you encounter. Skills that are imperative for quality patient care in radiography, such as safety, transfer, and positioning; infection control; and patient assessment are emphasized. You'll find full coverage of introductory topics, as well as key information on microbiology, emerging diseases, transcultural communication, ECGs, administration of medications, and bedside radiography.

From award-winning author Tom Piccirilli comes what Lee Child calls “ perfect crime fiction, ” a wholly original novel introducing the Rands, a vipers ’ nest of crooks and cons, one generation stealing from the next. Upon the razor-thin edge between love and violence lives a pair of brothers, their bonds frayed by betrayals and guilt, their loyalty to each other their last salvation. Raised to pick a pocket before he could walk, Terry Rand cut free from his family after his older brother, Collie, went on a senseless killing spree that left eight dead.

Five years later, only days before his scheduled execution, Collie contacts Terry and asks him to return home. Collie claims he wasn't responsible for one of the murders—and insists that the real killer is still on the loose. Dogged by his own demons, Terry is swept back into the schemes and scams of his family: His father, Pinsch, a retired cat burglar, brokenhearted because of his two sons. His card-sharp uncles, Mal and Grey, who've incurred the anger of the local mob. His grandfather, Shep, whose mind is failing but whose fingers can still slip out a wallet from across the room. His teenage sister, Dale, who's flirting dangerously with the lure of the family business. And Kimmie, the woman Terry abandoned, who's now raising a child with Terry's former best friend. Terry pieces together the day his brother turned rabid, delving into a blood history that reveals the Rand family tree is rotten to the roots, and the secrets his ancestors buried are now

coming furious and vengeful to the surface. A meditation on how love can confine a person just as easily as it can free him, juxtaposing shocking violence and sly humor, *The Last Kind Words* is the brilliantly inventive family saga that only a singular talent like Tom Piccirilli could conjure. Includes a preview of Tom Piccirilli 's next book, *The Last Whisper in the Dark*. Praise for *The Last Kind Words*

“ A crime noir mystery as hard-boiled as any in recent memory, recalling the work of Chandler, Pelecanos and Connelly . . . Readers literally will be pinned to their seats until the last page is turned. ” —Bookreporter

“ At once a dark and brooding page-turner and a heartfelt tale about the ties that bind. ” —Lisa Unger, New York Times bestselling author of *Heartbroken*

“ [A] caustic thriller . . . The characters have strong voices and bristle with funny quirks. ” —The New York Times Book Review
