This book is an abridgment of my earlier work entitled, Adh-Dhikr wad-D\u00fa wal-Ilaj bir-Rugyah mina' Kitab was-Sunnah. In order to make it small and easily portable, I have chosen only the section on words of remembrance for this abridgment. To achieve this, I only mentioned the text of the words of remembrance instead of the entire Hadith. I also limited myself to mentioning only one or two references from the original book for each Hadith. Whoever would like to know about the Companion who related a particular Hadith, or more information about where it is recorded, should refer to the original work (mentioned above). I ask Allah the Glorious, the Mighty, by His beautiful Names and by His sublime Attributes to accept this as having been done sincerely for His sake alone. I ask Him to bring me its benefits during my lifetime and after my death. May those who read it, those who print it, or have had any role in distributing it, benefit from it also. Surely He, glory be unto Him, is Capable of all things. May the peace and blessings of Allah be upon our Prophet, Muhammad, and upon his family and Companions and whoever follows them in piety until the Day of Judgment. Said bin Ali bin Wahab Al-Qahtani, Safar,1409

a collection of prophet sayings geared towards developing the character of an individual, written by one of the most respected and authoritative of hadith collectors. By Muhammad Ibn Ismail al-Bukhari.

Jin adalah makhluk yang bersama-sama dengan kita menghuni planet bumi ini. Bahkan kehadiran bangsa jin jauh lebih dulu daripada manusia. Jin juga adalah makhluk mukallaf yang dikenai hukum dan kewajiban seperti manusia, karena mereka juga memiliki akal, nafsu dan kehendak bebas. Allah SWT berfirman: Tidakkah Aku ciptakan jin dan manusia kecuali untuk beribadah kepada-Ku. Namun, karena sifatnya secara umum yang tidak terlihat oleh mata manusia, maka kita kadang-kadang memperoleh gambaran-gambaran yang keliru tentang bentuk, sifat dan kehidupan jin. Buku ini berusaha merekam dialog antara penulisnya, Muhammad 'Isa Dawud, dengan salah satu Jin-Muslim. Dialog tersebut begitu lugas, sehingga menjadikan buku ini benar-benar asyik dibaca. Dari dialog-dialog ini, pembaca akan memperoleh berbagai informasi baru yang menakjubkan tentang dunia jin yang sebenarnya. Buku ini sedikit-banyak akan meluraskan persepsi-persepsi kita yang salah tentang bentuk, watak dan kehidupan jin: sejak asal-mula jin hingga berbagai kejadian yang berkaitan dengan jin, seperti gangguan setan dan sihir, lengkap dengan cara pengobatannya. Untuk setiap topik dialog, penulisnya menambahkan catatan yang merujuk kepada Alquran, hadis Nabi saw, serta temuan-temuan ilmiah demi mengukuhkan kebenaran pernyataan jin tersebut.

Investigating sufi-inspired spirituality in the modern world, this multi-faceted and interdisciplinary volume focuses on Besha'a, a spiritual movement that applies the teachings of Ibn 'Arabi in a non-Muslim context. It traces the movements emergence in sixties Britain and analyses its major teachings and practices, exploring through this case-study the interface between Sufism and the New Age, and the encounter between Islam and the West. Examining from a global perspective the impact of cultural transformations associated with modernisation and globalisation on religion, this timely volume concludes by tracing possible futures of Sufi spirituality both in the West and in the Muslim world.

In The Grey Falcon, Hamza Malik offers an account of the life and teaching of the twelfth century scholar and Sufi, Shaykh \u0127Abd al-Qadir al-Jilani (1066-1177), through a careful analysis of his most popular written works.
