<p>Boeing C-135 Series: Stratotanker, Stratolifter and other ...</p> <p>I've always rather liked the Boeing KC-135 series of military aircraft, direct developments of the iconic Boeing 707 airliner. In service for the whole lifetimes of many of us, (first flight 1956!) this aircraft has fulfilled so many roles that kept the 'Cold War' from ever warming up too much.</p>
