Have you ever grown weary of going around the same mountain over and over again? Have you ever wondered why you continuously deal with the same issues generation after generation, with no victory in sight? Then you are probably dealing with something that is hidden much deeper within. It may have been planted generations before, unknown to you. This may have produced evil fruit and kept you and your family in bondage, robbing you of their blessings and ultimate destiny. In the Book Spiritual Cleansing, you will understand the importance of getting to the root causes of the issue, thereby eliminating the evil fruit that is continuously reproduced in your life. It is time for the body of Christ to walk in freedom in every area of our lives. Sometimes as believers, we get stuck in a particular area of our lives in our walk with the Lord. And we often wonder why we can never gain the victory. The enemy tries to convince us that we can't get past it and we continue to reap a harvest of pain and defeat. It is time we stop settling for less than wholeness. Jesus defeated everything in His death, burial and resurrection. Obtain your Spiritual Cleansing and learn how to gain freedom in every area of your life and to share that freedom with others who need to break the chains of bondage in their own lives.

From the latches on our kitchen cabinets to the magnetic strips on our credit cards, we take magnetic forces for granted every day. Magnets are a relatively new technology, although people have remarked on naturally-occurring magnets, or loadstones, for hundreds of years. Mickaharic, in his inimitable, no-nonsense style relates the history and folklore of magnets and how they work, and explains several practical uses including improving fuel combustion, descaling water, and charging water for better plant growth. Most of his book is devoted to explaining how the attractive power of magnets can be harnessed in spells and vibrational healing. Mickaharic includes instructions on spells for attracting a job, a lover, or money/ making devices to magnetize oils and potions for increased potency/ making magnetic magic wands/ using magnets with sigils and seals/ making a Mesmer board for vibrational healing/ constructing a device for distant/covert communication/ working with energy rods/ and aura cleansing with magnets. Mickaharic also includes an interesting biography of the flamboyant Antoine Mesmer that rectifies the misunderstandings around his so-called discovery of "animal magnetism" and initiation of the practice of hypnotism.

Psychic attacks are real and their effects can be devastating to the victim. Negative vibrations can be as harmful as bacteria, germs and viruses.
