A remarkable debut mystery from the award-winning author of the 2003 St. Martin's Press/Private Eye Writers of America Prize for Best First Private Eye Novel. Michael Koryta's Tonight I Said Goodbye marks

the emergence of a stunning new voice in crime fiction. With its edge-of-your-seat pacing, finely drawn characters, and rock-solid prose, *Tonight I Said Goodbye* would seem to be the work of a grizzled pro; the fact that the author is just twenty-one years old makes it all the more amazing. Investigator Wayne Weston is found dead of an apparent suicide in his home in an upscale Cleveland suburb, and his wife and six-year-old daughter are missing. Weston's father insists that private investigators Lincoln Perry and Joe Pritchard take the case to exonerate his son and find his granddaughter and daughter-in-law. As they begin to work they discover there is much more to the situation than has been described in the prevalent media reports. There are rumors of gambling debts and extortion, and a group of Russians with ties to organized crime who don't appreciate being investigated--a point they make clear with baseball bats. With some assistance from newspaper reporter Amy Ambrose, Perry and Pritchard believe they are making swift progress. But then they are warned off the investigation by a millionaire real estate tycoon and the FBI. Just when they feel they are closing in on a possible source of answers, another murder forces them to change direction in the case. Perry travels to a resort town in South Carolina and there he finds more than one game being played, and all of them are deadly. The stakes quickly become very personal for Perry, and it's clear that there will be no walking away from this case. In a debut that has already garnered praise from some of today's top writers, Michael Koryta immediately establishes himself as a standard bearer for the next generation of crime writers. *Tonight I Said*

Goodbye is a 2005 Edgar Award Nominee for Best First Novel.

A colorful, portable guide to all the features of Nikon's D3200 dSLR. The Nikon D3200 dSLR camera is packed with fabulous features like a 24-megapixel sensor, full HD video capability with full-time autofocus, and 4 frames-per-second continuous shooting mode. This full-color guide provides instructions for all the buttons, dials, modes, and menus plus a refresher course in photography basics. It illustrates the essentials of lighting, composition, and exposure with plenty of examples, and author Alan Hess, veteran concert photographer, even includes professional tips on improving portraits, candid, sports and travel photos, and much more. Sized to fit in a camera bag, the book includes a bonus gray and color checker card to help dSLR newcomers capture perfect white balance and color every time. Nikon's exciting D3200 dSLR offers a 24-megapixel sensor, full HD (1080p) video recording with full-time autofocus and 4 fps high-speed continuous shooting mode, and a host of other features. This full-color guide, in a portable 6 x 9-inch trim explains all the camera's settings, buttons, menus, and modes with step-by-step directions. Explains how to choose lenses, adjust white balance, use autofocus, and manage exposure. Author and professional photographer Alan Hess provides advice on improving your candid, portraits, sports and travel photos, macro photography, and more, with exquisite examples. Includes a gray and color checker card to help you achieve perfect color. Nikon D3200

Digital Field Guide is your new Nikon's bestfriend. Take it everywhere you take your camera and have expert advice at your fingertips.

One of the most successful books of the past decade is back in a new printing (the first-ever printing by Drawn & Quarterly), just in time for the new century! The New York Times Book Review called Jar of Fools "...a lovely, short 'picture novel' exploring the tenacious bond between an alcoholic stage magician and his cranky mentor". Jason Lutes' formidable skills as an artist and writer are in evidence here in his first book as he relates the story of Ernie Weiss, a former magician haunted by the death of his escape-artist brother and a failed romance. With the recent release of Berlin; Book One, this new edition of Jar of Fools will serve as an excellent introduction to the early work of Jason Lutes.

In this wired, wild world, it is harder than ever to shut out noise and busyness in order to truly calm yourself, but in *Crafting Calm*, a D.I.Y. guide to peace of mind, you'll find inspiring ideas for how to do exactly that through a wide range of creative exercises. In this book, author Maggie Oman Shannon explores crafts and creativity as a practice with enormous physical, mental, and spiritual benefits. By immersing ourselves in a craft with intention and mindfulness, we can quiet those voices around us and in us—we can enter sacred stillness. Through revealing interviews, personal stories, and forty suggested activities, the author shows how creative processes can become spiritual practices. Whether you're an aspiring artist, longtime craftsperson, or someone

who has never set foot in a craft-store (yet!), you'll find something in *Crafting Calm* to inspire you. Crafts and how-to ideas include contemplation candles, visual journals, prayer shawls, collage mandalas, intention beads, finger labyrinths, personal prayer flags, spiritual toolkits, and tabletop altars. Features inspired craft ideas from luminaries such as Angeles Arrien, Mary Ann Radmcher, Shiloh Sophia McCloud, Sister Marianne Heib, May Ann Brussat, and many more.

Compiled by German linguists with over twenty years of experience in international business, this dictionary reflects all the current usages of German business terminology, identified by specific categories. Business language is in a state of flux all over the world. This is due to the fast-changing global business scene, not only in Europe but also in Asia and the rest of the world. The near-total dependence of business today on digital data and the Internet is another major factor in the transformation of business terminology. The main virtue of this dictionary is the fact that it provides current, twenty-first century business terms and definitions, including hundreds of computer-related terms.

The internationally bestselling book that inspired the Pay It Forward movement is now available in a middle grade edition. *Pay It Forward* is a moving, uplifting novel about Trevor McKinney, a twelve-year-old boy in a small California town who accepts his teacher's challenge to earn extra credit by coming up with a plan to change the world. Trevor's idea is simple: do a good deed for three people, and instead of asking

them to return the favor, ask them to “pay it forward” to three others who need help. He envisions a vast movement of kindness and goodwill spreading across the world, and in this “quiet, steady masterpiece with an incandescent ending” (Kirkus Reviews), Trevor’s actions change his community forever. This middle grade edition of Pay It Forward is extensively revised, making it an appropriate and invaluable complement to lesson plans and an ideal pick for book clubs, classroom use, and summer reading. Includes an author’s note and curriculum guide.

Grace, Gretchen and Greer are three teenage descendants of Medusa who must unite and embrace their fates in a world where monsters lurk in plain sight. The triplets are now reunited, but their battle against the monsters of the abyss rages on. And as if training to become fully-fledged huntresses weren't enough, the boys in their lives are causing them problems. Is Nick all he seems? And where's Thane? Grace is sure he's hiding something from her. As the girls discover more about their heritage, they find themselves in greater danger than ever. Can they face up to the sacrifices they must make in order to fulfil their destiny? The second book in the high-concept urban fantasy YA series.

London, 1813. The decapitation of a wealthy plantation owner draws Sebastian St. Cyr into a macabre and perilous investigation filled with connections to seventeenth-century monarchs, the Home Secretary and a brilliantly observant spinster named Jane Austen. But as one murder follows another, it is the connection between the victims and

a ruthless former army officer, Lord Oliphant, that raises the stakes. Once, Oliphant nearly destroyed Sebastian in a horrific act of betrayal. Now he poses a threat to Sebastian and everyone he holds dear.

Book 3 in the Bestselling Her Russian Protector Sexy Romantic Suspense Series While clawing her way out of Houston's worst neighborhood, Lena vowed to never let any man have power over her. After a lifetime of broken promises from her criminal father and a mother who abandoned her, Lena believes that love makes you vulnerable. She's never been tempted to test that belief...until Yuri. Sexy as sin and with a dark reputation, Russian billionaire Yuri Novakovsky survived a miserable childhood of poverty and neglect to ascend the pinnacle of success. He enjoys the perks of his massive wealth without much thought to the consequences...until Lena. When Lena's father and cousin blunder into an international art theft operation, Yuri seizes his chance to be her protector. But when past misdeeds catch up with him and threaten Lena's safety, Yuri puts her love and trust in him to the test. He'll prove he's the man she needs--a man she can trust and depend upon--one sensual, wicked kiss at a time. keywords: billionaire, alpha male, latina heroine, multicultural romance, mob romance, her russian protector series, fighting connollys series
