Sewing machine manuals are considered a "part," or an essential piece of equipment to the machine. For those who know the make and model of the sewing machine, it's likely they'll be able to locate a manual. The first step is finding the machine's manufacturer and model number. Most machines have a manufacturer's name somewhere on the machine.

Strange as it may seem, there are free White sewing machine and overlocker/serger manuals via the Singer website. The manuals include many 20th century and even a few 19th century models too, (which was good news for me when I bought a 1906 treadle. pictured above) To find the manual you need, look under Singer's "Support and Resources " then select " Instruction manuals " , or follow this link.
